

Ovid®

Emergency Nursing Made Incredibly Easy!

Rely on Ovid as the trusted solution that transforms research into results

Skillfully handle the daily demands of the emergency room, with the fully updated Emergency Nursing Made Incredibly Easy!®, 3rd Edition.

Full of colorful illustrations, humor and friendly expert advice, this go-to reference offers solid, step-by-step guidance on the assessments, exams, tests and treatments involved in emergency, trauma and critical care — all in the enjoyable Incredibly Easy® style.

Boost your confidence and know-how with this easy-to-read guide to emergency nursing:

NEW chapter on psychiatric emergencies

, which are first seen in the emergency room

NEW

chapter on obstetric emergencies that includes guidance on emergency delivery and the Apgar score method

NEW

chapter on disaster responses that offers concise guidelines on nursing triage, mobilization and management during mass casualty events

Updated best practices

on assessments, physical exams, diagnostic tests, treatment options and common disorders

"

Practice Makes Perfect" end-of-book practice test

that addresses all topics in the book — ideal for students preparing for NCLEX® or nurses preparing for the CEN exam

Up-to-date direction on care management in all areas of emergency nursing, including:

Emergency department basics
Holistic care
Emergencies by body systems – cardiac; respiratory; gastrointestinal; musculoskeletal; renal, genitourinary and gynecologic; obstetrical; and maxillofacial and ocular emergencies
Wound management
Environmental emergencies
Shock and multisystem trauma emergencies

Helpful chapter features include:

Just the facts

– quick summary of content at the start of each chapter

Ages and stages

– age-related changes and how they affect a patient's health

"Nurse Joy" and "Nurse Jake"

– expert insights that explain key concepts, provide important care reminders and offer reassurance

Stay on the ball

– critical areas to watch for — possible dangers, risks, complications or contraindications

Education edge

– helpful patient-teaching tips

Quick quiz

– end-of-chapter, multiple-choice questions that help you retain knowledge
